# CHECK OUT THIS VIDEO TO SEE WHAT IT'S LIKE WORKING AT FARMERS!

# JUMPSTART YOUR CAREER WITH FARMERS

## Farmers provides:

- **Innovative culture** – Our success depends on cultivating an environment where ideas flow and innovation thrives. We believe when we have diversity of thought and culture, everyone has the opportunity to feel included
- **Diversity and inclusion** – Differences in thought, experience and identity enable us to connect with customers and one another
- **Training** – Our University of Farmers® was named one of the top ten corporate training units globally for four straight years by Training Magazine, earning a place in the publication's T125 Hall of Fame. We also offer a competitive tuition assistance program that helps eligible employees offset the cost of earning a degree or professional designation
- **Competitive benefits** – Our comprehensive benefits package includes medical, dental, 401(k) with company match, vision, life insurance, wellness programs and more

# RESOURCE GROUPS

Our culture supports employees in bringing their whole selves to work. We celebrate differences of thought, experience and identity that make us unique. As a result, we are able to better execute on our goals because our differences help us better attract and retain employees, connect with customers and increase our ability to innovate.

# READY FOR A SUMMER INTERNSHIP AT FARMERS®?

**An internship with Farmers Insurance means a summer of purpose.**

Our internship program gives you the chance to work on a variety of critical business assignments, test your skills, use your academic knowledge and match your interests to a real job.

As an intern at Farmers, you will develop knowledge about the business through exposure to a functional area (such as claims, finance, sales/service, underwriting and/or IT). You will focus on developing the skills necessary for success by assisting professionals with day-to-day job assignments.

**Important Dates:**

November-April – Internships appear on [Farmers.com/Careers](https://Farmers.com/Careers)

Mid-June – Most internships start

Mid-August – Most internships end
