TIEBREAKER

Tiebreaking Procedures

Team ties shall be broken by a sudden-death playoff counting the low four scores relative to par on each hole. Play shall continue with new scoring on each successive hole until a winner is determined. The games committee will determine the starting holes. If a playoff involves more than two teams, a shotgun format shall be used. The team playoff will be conducted first, with the playoff for individual spots to follow immediately after the conclusion of the team playoff. Once the shotgun sudden-death format is started, that format shall be used until a winner is determined.

SCORING

Scorecards for the NBCAHOF Invitational shall be kept in strict accordance with Rule 6-6 of the USGA's 'Scoring the Stroke Play'. The scorecard shall be deemed returned to the golf committee when it is placed by the player or coach in the box located in the designated scoring area. (USGA Scoring Rules below)

6-6. Scoring in Stroke Play

a. Recording Scores

After each hole the marker should check the score with the competitor and record it. On completion of the round the marker must sign the score card and hand it to the competitor. If more than one marker records the scores, each must sign for the part for which he is responsible.

b. Signing and Returning Score Card

After completion of the round, the competitor should check his score for each hole and settle any doubtful points with the Committee. He must ensure that the marker or markers have signed the score card, sign the score card himself and return it to the Committee as soon as possible.

Penalty for Breach of Rule 6-6b:

Disqualification.

c. Alteration of Score Card

No alteration may be made on a score card after the competitor has returned it to the Committee.

d. Wrong Score for Hole

The **competitor** is responsible for the correctness of the score recorded for each hole on his score card. If he returns a score for any hole lower than actually taken, **he is disqualified**. If he returns a score for any hole higher than actually taken, the score as returned stands.

Exception: If a **competitor** returns a score for any hole lower than actually taken due to failure to include one or more **penalty strokes** that, before returning his score card, he did not know he had incurred, he is not disqualified. In such circumstances, **the competitor incurs the penalty prescribed by the applicable Rule and an additional penalty of two strokes for each hole at which the competitor has committed a breach of Rule 6-6d.** This Exception does not apply when the applicable penalty is disqualification from the competition.

Note 1: The **Committee** is responsible for the addition of scores and application of the handicap recorded on the score card - see Rule **33-5**.

33-5. Score Card

In stroke play, the **Committee** must provide each **competitor** with a score card containing the date and the **competitor's** name or, in **foursome** or **four-ball** stroke play, the **competitors'** names.

In stroke play, the **Committee** is responsible for the addition of scores and application of the handicap recorded on the score card.
